Dear Client:

This checklist is provided to assist you in assembling the information necessary to prepare your 2024 income tax return. Please complete the checklist carefully and enclose additional information and slips as requested. The checklist and supporting documentation should be returned as soon as possible to ensure the timely completion of your return. **Please note that we require the signed T183 authorization forms from you in order to efile your return – you will receive this form to sign via RightSignature once your return is ready.**

To send us your documents in a secure manner rather than via email, please use our secure file drop service:
<https://files.yalepgc.ca/filedrop/office>

If you have any questions regarding the checklist or wish to discuss any aspect of your personal tax situation, please contact us at your earliest convenience. To ensure that your tax return is filed on time, **please provide all information before April 15, 2025.**

Yours truly,

Yale PGC LLP

New developments that may affect your return:

Donations Extended

CRA has extended the deadline for making cash donations eligible to be deducted in the 2024 tax year to February 28, 2025. This means if you have made cash donations in January or February 2025, they can be claimed in your 2024 personal tax return. If you send us these donations to claim in your 2024 return, please be sure not to include them again next year for your 2025 return.

Capital Gains Inclusion Rate Changes Are Deferred

In April 2024, the government announced proposed changes to the capital gains inclusion rate to increase it from 50% to 66.67% for capital gains realized after June 24, 2024 for gains exceeding \$250,000 for individuals. In January 2025, the government announced that it is deferring the proposed changes to be effective January 1, 2026, therefore it will not impact your 2024 personal tax return.

Short Term Rentals

As of January 1, 2024, individuals are no longer able to deduct expenses related to non-compliant short-term rentals. This change applies to all expenses, including interest, incurred after 2023 to earn income from operating short-term rentals in provinces and municipalities that have prohibited short-term rentals, or where short-term rental operators are not compliant with the applicable provincial or municipal licensing, permitting, or registration requirements. For more information about these changes, please see [CRA's website](#).
